**Project Description:** Construct a segment of the Trans Florida Central "Rails-to-Trails" Corridor. The segment will consist of a multi-purpose path along an abandoned railroad right-of-way from the North County Regional Park to west of I-95 (includes overpass over I-95). When completed, the Trans Florida Central Railroad Corridor will run from the St. Sebastian River to the Blue Cypress Conservation Area. This project is part of the North County Greenways Plan.
